

## PROFESSIONAL LICENSURE DISCLOSURE

The Bachelor of Science in Nursing (BSN) program at Arizona College of Nursing has been approved by the state Board of Nursing, State Board of Registered Nursing, or Board of Examiners for Nursing (BON/BRN/BOEN) in the state where the campus is physically located. The BON/BRN/BOEN approval demonstrates that the BSN program at the campus meets or exceeds the state Registered Nurse licensure requirements, allowing Arizona College of Nursing graduates to apply to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN) and upon successful completion, be eligible to become licensed registered nurses within the state provided all other requirements set forth by the BON/BRN/BOEN are satisfactorily met.

**See the Arizona College of Nursing Academic Catalog for additional program details:** <https://www.arizonacollege.edu/student-services/academic-catalog/>

All state Boards of Nursing maintain individual discretion regarding the requirements to apply to take the NCLEX-RN examination within their respective state. Arizona College of Nursing has determined requirements for states as outlined below.
